THE HISTORY OF THE UNITED STATES

CHAPTER I

The first part of the history of the United States is the history of the discovery and settlement of the continent. The discovery of the continent by Christopher Columbus in 1492 is the starting point of the history of the United States. The settlement of the continent by the English in 1607 is the starting point of the history of the United States.

The second part of the history of the United States is the history of the growth and development of the country. The growth of the country from a small colony to a great nation is the subject of this part of the history.

The third part of the history of the United States is the history of the struggle for independence. The struggle for independence from Great Britain is the subject of this part of the history.

The fourth part of the history of the United States is the history of the formation of the Constitution. The formation of the Constitution is the subject of this part of the history.

The fifth part of the history of the United States is the history of the development of the country. The development of the country from a small colony to a great nation is the subject of this part of the history.

The sixth part of the history of the United States is the history of the struggle for independence. The struggle for independence from Great Britain is the subject of this part of the history.

The seventh part of the history of the United States is the history of the formation of the Constitution. The formation of the Constitution is the subject of this part of the history.

The eighth part of the history of the United States is the history of the development of the country. The development of the country from a small colony to a great nation is the subject of this part of the history.

The ninth part of the history of the United States is the history of the struggle for independence. The struggle for independence from Great Britain is the subject of this part of the history.

The tenth part of the history of the United States is the history of the formation of the Constitution. The formation of the Constitution is the subject of this part of the history.
