Dear Sir:

This will acknowledge receipt of your letter of August 3rd, in which you enclosed an application for permission to connect to pipe line.

You are advised that this report should be made out on form SG-109, "Request for Permission to Connect with Pipe Line". I am returning your application and enclosing the proper form for you to fill out and submit to me in triplicate.

I mailed your Dallas office a complete supply of forms recently in accordance with their request as they stated all forms would be submitted from the Dallas office, consequently, I am not sending you a supply of forms at this time. If you still desire a supply of forms, please let me know and I shall send them.

Very truly yours,
