

DEPARTMENT OF THE STATE GEOLOGIST BUREAU OF MINING TO TEST WATER SHEET-ONE

Notice is hereby given to the public that the Department of the State Geologist has received from the United States Geological Survey a copy of the report of the Survey on the water resources of the State of New York. The report is a valuable contribution to the knowledge of the water resources of the State and is of great interest to the public. The report is being published in the form of a series of sheets, one of which is being published as a separate sheet. The sheet is being published in the form of a separate sheet in order that it may be more readily accessible to the public. The sheet is being published in the form of a separate sheet in order that it may be more readily accessible to the public.

Albany, New York, January 1, 1900.

Very respectfully,
J. D. Henshaw, State Geologist.

~~State Geologist~~

It is hereby ordered that the report of the Survey on the water resources of the State of New York be published in the form of a series of sheets, one of which is being published as a separate sheet.

Albany, New York, January 1, 1900.

Very respectfully,
J. D. Henshaw, State Geologist.
