Re: Walker Bond--Walker Oil Corporation

Gentlemen:

On May 3 we wrote you in regard to reducing the bond for the Walker Oil Corporation which has been filed with your state for the last several years, guaranteeing the drilling, plugging and operating of oil wells in your state, and requesting permission to reduce this bond somewhat from the amount of \$10,000.00 which you have formerly required.

We stated in our former letter that these people were only operating two small wells in Lea County and did not contemplate drilling any more wells at this time and, therefore, thought that they were entitled to have their bond reduced.

Won't you please let us hear from you in regard to this matter as this bond should be looked after.

Thanking you very kindly for your early reply, we are

Yours very truly,

required.

We stated in our former letter that these people were only
operating two small wells in Las Comas and did not com-
template drilling any more wells at this time and, there-
fore, thought that they were entitled to have their bond
reduced.

I am sure that you will let us hear from you in regard to this
matter as this bond should be looked after.
