Mr. F.J. Vesely  
State Oil & Gas Inspector  
Carlsbad, New Mexico.

Dear Sir:-

I wish to obtain permission to save bradenhead gas on the Graham State C Lease Well No.3, which is located in the Center SW/4 of NE/4 of Section 24-19s-36e, Lea County, New Mexico. This is for the purpose of operating the lease.

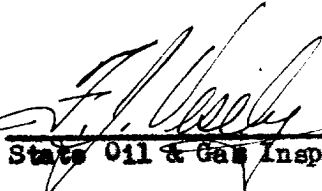

We propose to run 25 Sx cement on the 5-1/2" String of casing.

Please advise if this procedure is alright.

Yours truly,

  
C.C. Cummings.
