Dear Sir:

Re: ~~H. S. Record #2, 1650' from~~
~~N. line & 1650' from E. line~~
~~Sec. 15-20-36, Lea County.~~

From the distances given above, the location of the well would be in the SW/4 of the NE/4 of Section 15, instead of the NE/4 of the NE/4.

We inadvertently showed the location as the NE/4-NE/4 on our various reports.

Thanking you for calling our attention to this error and trusting that you have not been too greatly inconvenienced by same, we are

Very truly yours,

Coats & Foster Drilling Co.
