JOHN W. WEST ENGINEERING COMPANY 412 NORTH DAL PASE HOBBS, NEW MEXICO

June 20, 1957

Pan American Pet. Corp. Box 68 Hobbs, New Mexico

Gentlemen:

DIAL 3-3942

June 19, 1957 a survey was made to locate your State A-9 Well No. 1, at a point 1650 feet from the North line and 840 feet from west lines of Section 15, Township 19 South, Range 38 East, NMPM, Lea County, New Mexico.

A flag was set at the Quarter corner stone marker common to sections 15 and 16 and the Transit was set up at the Section corner Stone marker common to Sections 15, 16, 9 and 10. Then we chained South from the Section corner a distance of 1650 feet then east 840 feet to the location site. As a check on the survey we chained North from location a distance of 1650 feet and then west 840 feet to Section corner checking in with a minmum of error.

I hereby certify that the foregoing survey was made in the field by me and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
