17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The proposed workover is continuation of the suspended operations last February-March. It is also in response to NMOCC letter dated April 7th and verbal discussion with Mr. Jerry Sexton and the undersigned. It is planned to rig-up workover rig on or before December 7th and attempt to recover "fish". Once the "fish" is recovered, well will be returned to production from the presently open Wolfcamp perforations.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
