Rule 104-D-II, Providing an exception to the requirement of a 320-acre standard unit for a defined gas pool of Pennsylvanian age. The non-standard unit for the No. 2 Southeast Lea Unit, Morrow completion, herein applied for is the Southwest One-Quarter (SW 1/4) of Section 25, Township 20 South, Range 35 East, said non-standard unit consisting of quarter-quarter sections that are contiguous by a common bordering side, lying wholly within a single governmental section, and containing less acreage than a standard unit.

We are enclosing with this application a plat showing the location of the No. 2 Southeast Lea Unit as well as the boundaries of the Unit area, together with all offset operators to the aforesaid Section 25. Each offset operator has been furnished by certified mail a copy of this application.

American Trading and Production Corporation, as operator of the No. 2 Southeast Lea Unit, respectfully requests that the Commission grant the hereinabove requested exception to Order No. R-3710.

Respectfully submitted,

AMERICAN TRADING AND  
PRODUCTION CORPORATION
