Lea County, New Mexico

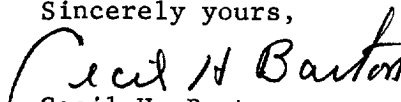

Gentlemen:

On August 22, 1983, an application to plug back, Form C-101, was approved on the referenced well. A copy of the Form C-101 is attached.

Since this time the well has been returned to production in the Morrow zone and the plug back and re-completion attempt in the Bone Springs will not be done at this time.

Please cancel the permit to plug back.

Sincerely yours,

Cecil H. Barton
Production Engineer
