Reclassification of well  
Eumont-Y-SR-Qu Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above-referenced well, it will be reclassified from a gas well to an oil well in the Eumont Pool effective September 1, 1988, and the gas allowable cancelled effective that date.

If for some reason you feel this test does not reflect the proper classification of this well, please submit another test for our consideration by July 29, 1988.

If the well is to be reclassified to oil, please furnish this office with a revised acreage dedication plat, Form C-102, outlining the 40 acres to be dedicated to the oil well completion. Also, if the gas transporter changes due to the reclassification, please submit Form C-104 so indicating.

Very truly yours,

OIL CONSERVATION DIVISION
