Gentlemen:

Due to the recently submitted gas-oil ratio test for the State
WE "D" Well No. 2 located in Unit J of Section 27, T-20-S, R-36-E,
the well will be reclassified as a gas well in the Eumont Pool and
the oil allowable will be cancelled on September 1, 1982.

Prior to that date, it will be necessary for you to comply with the
provisions of Division Order No. R-1670 pertaining to gas wells in
the Eumont Pool so that a gas allowable can be assigned.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District 1
