Re: RECLASSIFICATION OF WELL  
EUMONT POOL  
Falk State Well #1-C  
Sec. 34, T20S, R36E

Gentlemen:

Due to the recently submitted scheduled gas/oil ratio test the above-referenced well will be reclassified from gas to oil effective July 1, 1991, and the gas allowable cancelled that date.

If for some reason you feel this test does not reflect the proper classification of this well, please submit another test for our consideration by May 7, 1991.

If the well is to be reclassified to oil, please file a revised acreage dedication plat, Form C-102, outlining acreage to be dedicated to oil well. Also, if the gas transporter changes due to reclassification, please file Form C-104 so indicating.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District I
