Form O-112  
Supersedes O-128  
Effective 1-1-83

All distances must be from the outer boundaries of the Section

|                                     |                    |                                 |                   |                                     |
|-------------------------------------|--------------------|---------------------------------|-------------------|-------------------------------------|
| Owner<br><b>Harvey E. Yates Co.</b> |                    | Lease<br><b>West Lynch 30</b>   |                   | Acres<br><b>1</b>                   |
| Section<br><b>B</b>                 | Range<br><b>30</b> | North<br><b>20</b>              | East<br><b>34</b> | Feet<br><b>100</b>                  |
| County<br><b>330</b>                |                    | State<br><b>North</b>           |                   | Year<br><b>1950</b>                 |
| Well Name<br><b>3662.3</b>          |                    | Location<br><b>Seven Rivers</b> |                   | Notes<br><b>Wildcat Lease SR 40</b> |

- Outline the acreage dedicated to the subject well by colored pencil or by other marks on the plat below.
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof by its ownership interest and royalty.
- If more than one lease of different ownership is dedicated to the well, have the interests of the owners represented by a combination of color, line, and/or other marks.

Yes ☐ No ☒ If answer is "Yes" type of consolidation \_\_\_\_\_

If answer is "No" list the owners and tract descriptions which have actually been consolidated. Use reverse side of this form if necessary.

No acreage will be assigned to the well until all interests have been consolidated by combination of color, line, and/or other marks, or otherwise for until a final standard map, eliminating such interests, has been approved by the Commission.

CERTIFICATION

I hereby certify that the information furnished herein is true and complete to the best of my knowledge and belief.

*Peck Hardee*

Peck Hardee

Engineer

Harvey E. Yates Company

June 13, 1983

I hereby certify that the well location shown on this plat was plotted from field notes of actual surveys made by me or under my supervision and that the same is true and correct to the best of my knowledge and belief.
