Re: Mark Federal Well #1-M Sec. 3, T20S, R34E

Gentlemen:

We have had requests for the DSTs conducted on the above-referenced well and according to our information you conducted 2 DST on this well but none were submitted with your Well Completion Report for this well.

Rule 1105 requires that a summary of all special tests conducted on the well, including drill stem tests be submitted with your completion report.

Please furnish this office with a summary of the DSTs on this well.

Very truly yours,
