Reclassification of Well  
Eumont Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test the above-referenced well has been reclassified from an oil well to a gas well in the Eumont Pool effective October 1, 1990.

As indicated in your letter to Mike Stogner dated October 3, 1990, your application for reduction of the Proration unit for the #1 well has been withdrawn.

Please submit a revised acreage dedication plat for the #1 well since it now goes back to the original acreage and spot both wells on the plat.

Very truly yours,

OIL CONSERVATION DIVISION

Supervisor, District I
