Re: Unorthodox Location  
West Pearl Queen Unit #204  
T19S, R35E  
Lea County, New Mexico

Dear Mr. Stogner:

This letter shall serve as our request to have the following unorthodox location approved by your office.

1310' FNL 1310' FWL, Sec. 33, Unit D, T19S, R35E

On the attached plat, you will note our location lies within the unit boundaries of the West Pearl Queen Unit. We offset ourselves on these locations. We are requesting approval of this location because it will allow us to establish a more efficient waterflood pattern within the unit.

Should you have any questions, please call.

Sincerely,

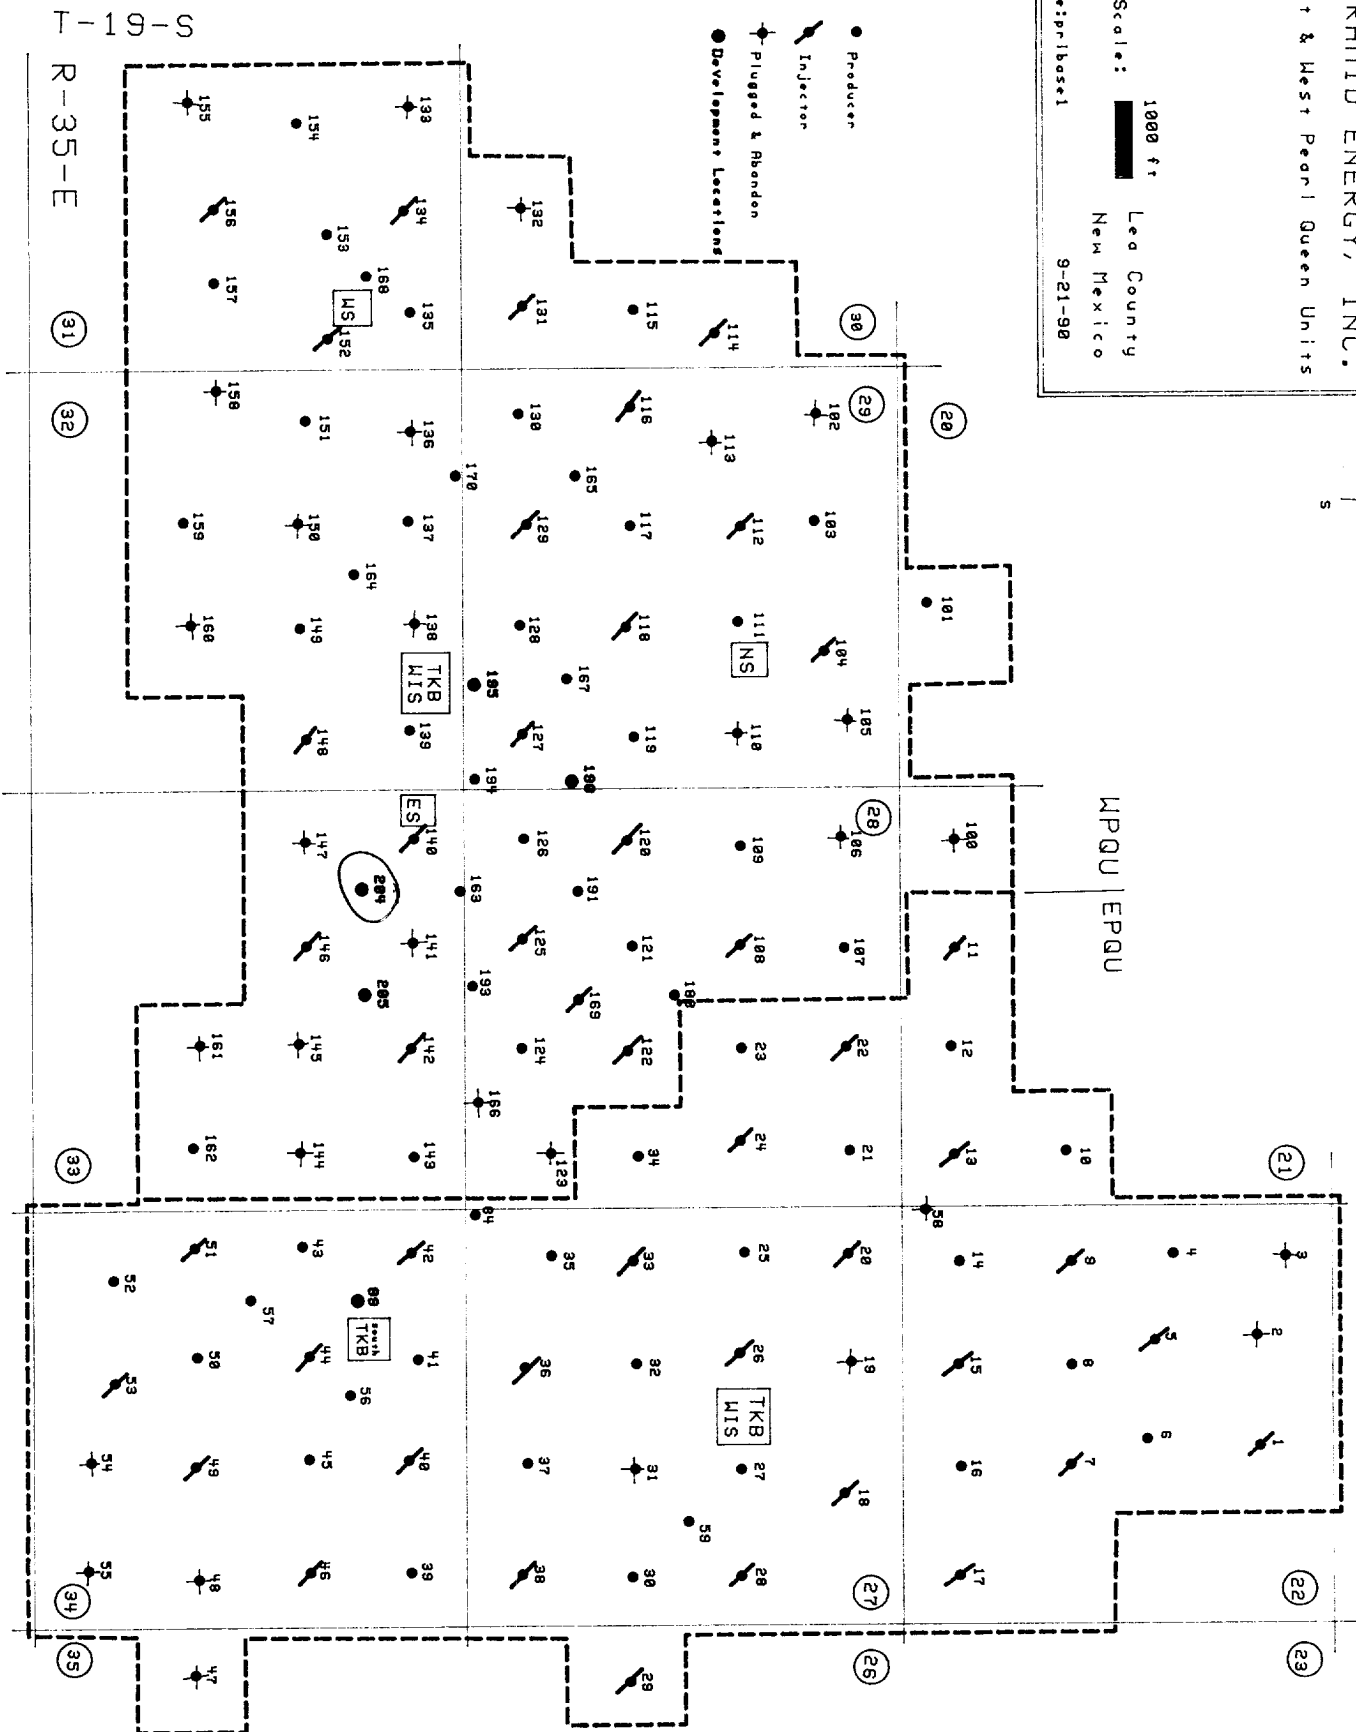

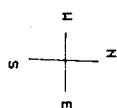

Scott Graef  
Production Engineer
