RE: C.B.M. #1-P 24-19-37 I-789

Dear Mr. Sexton:

I am in receipt of your letter advising of the expiration of the permit to flare casinghead gas. This well has not produced profitably in some time and is presently shut in awaiting an administrative decision to either plug it or to sell it. We have a prospective purchaser with a proposal being considered at this time. Therefore, no renewal to flare will be filed at the present.

Sincerely,

THE LONG TRUSTS
