Re: Change of Well Number  
North Lea Federal #6-C (660/N & 1980/W)  
Sec. 10, T20S, R34E

Gentlemen:

We have received a sundry notice from the BLM on which you request that the well number of the above-referenced well be changed to the North Lea Federal #5, since you do not plan to drill the previously permitted #5 well which was to be located 1730/N & 1980/W 10-20-34.

Before we can do this you will need to file a request for the cancellation of the drilling permit for North Lea Federal #5, 1730/N & 1980/W (Unit F), Sec. 10, T20S, R34E (API #30-025-31401).

Very truly yours,

OIL CONSERVATION DIVISION
