RE: North Monument Grayburg San Andres Unit Blk 17 #11
Unit K, Sec. 33, T19S, R37E

Gentlemen:

This will confirm my conversation with you of this date concerning the above-referenced well. Since this was unitized for waterflooding the gas will be considered casinghead gas instead of gas well gas. The order contains no special definition of gas wells in this unit.

If you have a gas line near this well I have no problem with it being connected.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
