Dear Mr. Weant:

We have received the referenced application, dated October 21, 1994. At this time, Mississippi Potash, Inc. does not offer objections to the location stated above.

However, this location resides within the Secretary's Potash Area, as defined in the 1986 Secretary's Order, and we feel all wells should comply with the requirement of a "salt protection string" of casing.

We do object to this well being drilled without the "salt protection string".

Sincerely yours,

Mississippi Potash, Inc.
