James L. Brazeal - President

The attached instrument was acknowledged before me on the 6th day of Jan, 1997 by James L. Brazeal - President, Brazeal Inc. d/b/a CapStar Drilling.

Notary Public

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it sets out the President's policy for the new year. The letter is written in a very formal and dignified style, and it is a very good example of the President's power and authority.
