Gentlemen:

On February 16 a request was made for Logs, Deviation Survey and completion report (Form C-105). At this time this information has not been received. The well file shows no activity on this well since March 10, 1997. At this time the Oil Conservation ask you to Plug and Abandon this well by sending in the intent on the form C-103. Send this to the District I Hobbs office by May 1.

If you have any questions on this matter, please call (505) 393-6161 ext.115 for Donna Pitzer.

Yours truly,

OIL CONSERVATION DIVISION
