Bass #5 and Bass #6 are denied, we will appeal to the New Mexico Oil Conservation Division asking that they not allow unreasonable interference with the orderly development and production from this pool.

Hallwood asks for your cooperation so that we might each develop our respective resources in a timely and economic manner. Your early response would be appreciated.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Lois A. Dodds", with a stylized, flowing script.
