Sec. 11, T20S, R37E

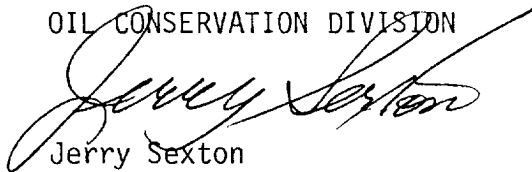

Gentlemen:

An intention to recompleate the above-referenced well from the Glorieta to the Grayburg/SA was approved in December 1987. To date no progress reports have been received. Therefore, approval of this permit to recompleate has expired and no recompleation work is to be initiated without further notice to and approval by the Division.

In the event any recompleation was done and not reported to us, please do so immediately.

Very truly yours,

OIL CONSERVATION DIVISION

  
Jerry Sexton  
Supervisor, District I
