Re: Application for Triple Tubingless
Completion, C. H. Weir "A" Well
No. 8, Skaggs-Drinkard, Skaggs-
Glorieta and Undesignated Blinbry
(Gas), Lea County, New Mexico

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Attached herewith are corrected copies of the diagram-
matic sketch for the above noted application. It was inadvertently
noted on the original sketch that the top of cement was to be at
approximately 5400 feet, this should read 2400 feet.

If any additional information is required, please advise.

Yours very truly,

(Signed) H. N. Wade
