## FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

We propose to flow the above wells into a central treating plant and tank battery. The centralized battery will have sufficient tankage so arranged that individual well tests may be taken at regular intervals or when so desired by the Commission. Each well will have an individual separator. The Atlantic Pipe Line Company is connected to the battery.

Title

# THE HISTORY OF THE UNITED STATES

OF THE WORLD

FROM THE FIRST SETTLEMENTS TO THE PRESENT

The history of the United States is a story of growth and development. It begins with the first settlers who came to the New World in search of a better life. They found a land of opportunity and freedom, and they built a nation that has become a model for the world. The story of the United States is a story of the struggle for freedom and the pursuit of the American dream. It is a story of the men and women who have shaped the nation and the values that have guided them. The history of the United States is a story of the triumph of the human spirit over adversity and the power of unity.

The United States has a rich and diverse history. It is a nation of many peoples and cultures, each with its own unique contributions to the nation's heritage. The history of the United States is a story of the struggle for equality and the pursuit of justice. It is a story of the men and women who have fought for the rights of all Americans and the values that have guided them. The history of the United States is a story of the triumph of the human spirit over adversity and the power of unity.
