

A copy of this application has been sent by certified mail to all of the offset operators to this proposed non-standard gas proration unit as shown on EXHIBITS A and B. Copies of these mail receipts are attached as EXHIBIT C. Conoco respectively requests approval of this application which is required to avoid simultaneous dedication of the described 40 acres to an oil well and to a gas proration unit.

For your convenience, a copy of Order R-5008-A is enclosed. Thank you for you assistance in resolving this matter. If there are any further questions please call me at (915) 686-6548.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jerry W. Hoover". The signature is fluid and cursive, with the first name "Jerry" being more prominent and the last name "Hoover" following in a similar style.
