

This well is a dual completion in the Monument Field, oil zone, and the Eumont Field, gas zone. Authority for the dual completion is New Mexico Oil Conservation Commission Order No. DC-211.

In view of the facts set out herein it is respectfully requested that the Commission issue an order approving the non-standard gas proration unit for General Crude Oil Company's State "G" No. 1 Well as described above.

Very truly yours,

GENERAL CRUDE OIL COMPANY
