Re: Hansen State Well No. 4 (H-16-20S-37E)

Dear Mr. Sexton:

As per your letter dated August 1, 1984 you informed Marathon that the Hansen State Well No. 4 has been reclassified as a gas well in the Eumont Pool. This letter is to inform your office that this well is in compliance with Division Order No. R-1670. An updated C-102 is attached. Also the gas produced from this well is and will continue to be metered separately from all the other wells on this lease. At the present time Well No. 4 is the only producing well on this lease.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Thomas F. Zapatka'.
