DEPARTMENT OF THE INTERIOR  
BUREAU OF LAND MANAGEMENT

REPORT OF THE DIRECTOR OF THE BUREAU OF LAND MANAGEMENT

The following report was prepared by the Director of the Bureau of Land Management, Department of the Interior, for the use of the President of the United States and the Vice President of the United States. The report is a summary of the activities of the Bureau of Land Management during the year 1964. The report is divided into two main parts: a summary of the activities of the Bureau of Land Management and a summary of the activities of the Bureau of Land Management in the field. The summary of the activities of the Bureau of Land Management is divided into four main sections: a summary of the activities of the Bureau of Land Management in the field, a summary of the activities of the Bureau of Land Management in the laboratory, a summary of the activities of the Bureau of Land Management in the office, and a summary of the activities of the Bureau of Land Management in the public domain. The summary of the activities of the Bureau of Land Management in the field is divided into four main sections: a summary of the activities of the Bureau of Land Management in the field of land management, a summary of the activities of the Bureau of Land Management in the field of land conservation, a summary of the activities of the Bureau of Land Management in the field of land reclamation, and a summary of the activities of the Bureau of Land Management in the field of land development. The summary of the activities of the Bureau of Land Management in the laboratory is divided into four main sections: a summary of the activities of the Bureau of Land Management in the laboratory of land management, a summary of the activities of the Bureau of Land Management in the laboratory of land conservation, a summary of the activities of the Bureau of Land Management in the laboratory of land reclamation, and a summary of the activities of the Bureau of Land Management in the laboratory of land development. The summary of the activities of the Bureau of Land Management in the office is divided into four main sections: a summary of the activities of the Bureau of Land Management in the office of land management, a summary of the activities of the Bureau of Land Management in the office of land conservation, a summary of the activities of the Bureau of Land Management in the office of land reclamation, and a summary of the activities of the Bureau of Land Management in the office of land development. The summary of the activities of the Bureau of Land Management in the public domain is divided into four main sections: a summary of the activities of the Bureau of Land Management in the public domain of land management, a summary of the activities of the Bureau of Land Management in the public domain of land conservation, a summary of the activities of the Bureau of Land Management in the public domain of land reclamation, and a summary of the activities of the Bureau of Land Management in the public domain of land development.
