RE: Reclassification of Well
Hobbs Well #4-N Sec. 18, T20S, R37E
Eumont Pool

Gentlemen:

According to the recently submitted gas/oil ratio test the above-referenced well will be reclassified from a gas well to an oil well in the Eumont Pool effective July 1, 1992.

You are asked to retest this well since your production for the past three months has reported no oil production from this well, so it appears this may be an erroneous test.

Very truly yours,

OIL CONSERVATION DIVISION
