Santa Fe, New Mexico

NOTICE OF INTENTION TO DRILL

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

| CONSERVATION COMMISSION. Santa Fe, New Mexico You are hereby notified that it is our intention to commence the drilling of a well to be known as | | ions in Rule | mit this notice in tries and Regulations of t | le, Glebane | | March 11 1957 | |
