RE:  
PROPOSED NSP 70  
PROPOSED NSL

Dear Mr. Macey:

I have examined the application dated Dec. 13, 1954  
for the Continental Gulf Oil Bell Ramsey #12-G 35-20-37  
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

We believe that since the above well is close to the oil-gas contact  
that it will in the future produce oil. 160 acre unit approved at present  
but request the right to change classification at a future time when  
conditions change.

Yours very truly,

OIL CONSERVATION COMMISSION
