Gentlemen:

This is to advise that on December 31, 1967 the Continental Oil Company's Eumont Hardy Unit No. 9, Eumont gas well located in Unit D of Section 36, Township 20, Range 37, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system.

This disconnection was due to Continental Oil Company converting well to an injection well for waterflood purposes.

Yours truly,
