

New Mexico Oil Conservation Commission
Attn: Mr. W. B. Macey

- 2 -

1/19/55

At such time as the Commission by an Administrative Order approves our proposed 160-acre non-standard gas proration unit comprising the N/2 S/2 Section 29 and assigns an allowable thereto in accordance with pool rules, then Administrative Order NSP-56 should become effective; at such time for the purpose of verification and consummation of this matter, we will again bring it to your attention.

Thank you for your cooperation in this matter.

Yours very truly,

G. H. FISHER

 N. M. Oil Conservation Commission
P. O. Box 2045
Hobbs, New Mexico

1. The first part of the document is a letter from the author to the editor of the journal, dated 1954. The letter discusses the author's interest in the subject of the journal and the importance of the work being done in the field.

2. The second part of the document is a letter from the editor to the author, dated 1954. The editor discusses the author's letter and the importance of the work being done in the field. The editor also discusses the author's interest in the subject of the journal and the importance of the work being done in the field.

3. The third part of the document is a letter from the author to the editor, dated 1954. The author discusses the editor's letter and the importance of the work being done in the field.

4. The fourth part of the document is a letter from the editor to the author, dated 1954. The editor discusses the author's letter and the importance of the work being done in the field.

5. The fifth part of the document is a letter from the author to the editor, dated 1954. The author discusses the editor's letter and the importance of the work being done in the field.
