## MEXICO OIL CONSERVATION U. Ν MISSION

Santa Fe, New Mexico

## MISCELLANEOUS REPORTS ON WELLS

~

η.

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations of the Commission.
