RE:
PROPOSED MSP 97
PROPOSED NSL _____

Dear Mr. Macey:

I have examined the application dated 1-19-55

for the A. B. Reeves #1-L 29-20-37
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

If Gulf's A. B. Reeves is given a gas unit of 160 acres, wells #1 and #2
to the south and north offsets, each well will have 160 acre gas units-
these units and location of wells will cause excessive withdrawals from
one side of the section. Recommend application be denied, also not sub-
stantially in the form of a square- R F M

However, under Rule 520 on a 660-660 location we must grant 160 acres- SJS
Yours very truly,
