RECEIVED
JAN 23 1955
JAN 23 1955

(e) That the applicant will comply with all rules and regulations of the New Mexico Oil Conservation Commission to insure continued separation of production between the two pay horizons.

(f) That the manner and method of the proposed dual completions is mechanically feasible and practical.

(g) That, by copy of this letter of application, all offset operators are notified of the proposed dual completion.

Therefore, Gulf Oil Corporation requests that the Oil Conservation Commission grant permission to dually complete the subject well as proposed in this application.

Respectfully submitted,

GULF OIL CORPORATION
