TITLE

This form is to be filed in compliance with RULE 1104.

If this is a request for allowable for a well drilled or deepened well, this form must be accompanied by a table of the geologic tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely for allowable to be calculated and reported.

Fill out only Sections I, II, III, and VI for change of lease well number, drilling, or transportation or other such change of conditions.
