HUMBLE OIL & REFINING COMPANY

Oil Conservation Commission

-2-

January 28, 1955

6. The Texas Company is the only offset operator owning interest within 1500 feet of the well to which such gas proration unit is proposed to be allocated. We have furnished The Texas Company, by registered mail, written notice of this application in lieu of obtaining waivers.

We have attached a plat showing location of Well No. 4. Also attached is a unit plat which dedicates the W/2 of Section 31 to Well No. 4.

We trust that this application is complete and that we have submitted all the necessary information for your approval without the necessity of a hearing.

Yours very truly,

HUMBLE OIL & REFINING COMPANY

L. H. BYRD,
Asst. Division Superintendent
