This form is to be filed in compliance with rules 100.1.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the division tests taken on the well in accordance with rule 111.

All sections of this form must be filled out completely for all wells on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes of well name or number, or transporter, or other technical data of a well.

Separate Form C-104 must be filed for each well to be recomplected.
