OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

January 15, 1936.

Mr. F.J. Venable,
Carlsbad, New Mexico.

Dear Sir:

Field Fields, Inc., Notice of Intention
to Drill, dated: Jan. 11, 1936.

With reference to the above Notice, the name designated by this company for the well to be drilled is Field State Well No. 1. We presume that this is an error on their part and that the well should be known as Field State Well No. 2, since Well No. 1 was the name given to the well to be drilled as per their Notice dated December 14, 1935.

We will communicate with the company about this matter, so that the necessary correction may be made.

Very truly yours,

Frank Warden
