Due 3/8/50

BEFORE THE OIL CONSERVATION COMMISSION OF THE
STATE OF NEW MEXICO

IN THE MATTER OF THE APPLICATION
OF HARPER OIL COMPANY FOR
ADMINISTRATIVE APPROVAL FOR THE
DUAL COMPLETION OF HARPER OIL
COMPANY WELL IN THE SW $\frac{1}{4}$ NE $\frac{1}{4}$ OF
SECTION 26, TOWNSHIP 21 SOUTH,
RANGE 37 EAST FOR PRODUCTION OF
GAS FROM BLINEBRY POOL AND OIL
FROM DRINKARD POOL, LEA COUNTY,
NEW MEXICO

Case No. _____

APPLICATION

Comes now Harper Oil Company, by its attorney, and pursuant to Rule 112-A, Rules and Regulations New Mexico Oil Conservation Commission, requests the Commission to approve a dual completion of its Drinkard oil well situated in the SW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 26, Twp. 21 S., Rge. 37 E., Lea County, New Mexico, and as its basis therefor states:

1. Applicant is the operator of its #1 Sarkey well which is a Drinkard oil well situated in the SW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 26, Twp. 21 S., Rge. 37 E., Lea County, New Mexico.
2. Applicant attaches hereto, as Exhibit A, a plat showing the location of its well and all offset wells on offset leases.
3. Applicant proposes to dually complete the well so as to produce oil from the Drinkard formation and gas from the Blinebry formation by setting a production type packer, as illustrated by the diagrammatic sketch attached hereto and marked Exhibit B.
4. Applicant has mailed to each of the operators who offset the lease on which its proposed dual completion is situated, a copy of this application with exhibits attached.

MEMORANDUM

James Earl Ray, petitioner, has filed a petition for summary judgment in this case. The petition is based on the fact that the United States Department of Justice, respondent, has failed to produce certain documents in its possession. The petitioner claims that these documents are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

1. The petitioner has shown that the documents in question are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

2. The petitioner has shown that the documents in question are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

3. The petitioner has shown that the documents in question are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

4. The petitioner has shown that the documents in question are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

5. The petitioner has shown that the documents in question are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

6. The petitioner has shown that the documents in question are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

7. The petitioner has shown that the documents in question are material and necessary for the proper disposition of this case. The respondent has failed to produce these documents despite repeated requests from the petitioner and the court.

WHEREFORE, Applicant requests the secretary of the Commission, upon the expiration of ten days, to approve this dual completion. In the event any objection should be received then applicant requests that the Commission furnish proper notice, as required by law, and set this matter down for hearing.

Respectfully submitted,

HARPER OIL COMPANY
