Gentlemen:

Effective January 1, 1972, your S. J. Sarkeys "B" No. 1 located in Unit B of Section 26, T-21-S, R-37-E, is reclassified from an oil well to a gas well in the Blinebry Pool. This reclassification is necessitated by the fact that the well is producing at a ratio in excess of 32,000.

This well is to be shut in on January 1, and will remain shut in until you have complied with the provisions of Commission Order No. R-1670, that portion which pertains to the Blinebry Gas Pool.

Yours very truly,
