Re: Dual Completion our S. J. Sarkeys No. 1

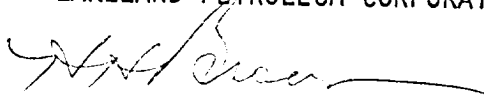

Gentlemen:

Lakeland Petroleum Corporation will apply to the New Mexico Oil Conservation Commission for Administrative Approval to dual complete Lakeland's Sarkeys No. 1 Unit "B", located in Section 26, Township 21 South, Range 37 East, Lea County, New Mexico. Attached are copies of the applications, including diagrammatic sketches and lease plats for your information.

The Sarkeys No. 1 is presently a Drinkard Oil-Tubb Gas dual and will be re-completed as a Blinbry Oil-Tubb Gas dual, as are other wells in the area. Should you have any questions or objections to proposal, kindly contact the writer at the Fort Worth, Texas, address shown above.

Yours very truly,

LAKELAND PETROLEUM CORPORATION
