This is to advise that effective February 1, 1965 your S. E. Cone No. 1 located in Unit J of Section 26, T-21-S, R-37-E was reclassified as a gas well in the Blinebry Gas Pool. The reclassification was necessitated by your gas-oil ratio test which showed the well to be producing with a GOR of more than 35,000 to 1.

A gas allowable will be assigned when you have complied with the provisions of Commission Order No. R-1670 pertaining to the Blinebry Gas Pool.
