RE: Packer Leakage Test

Gentlemen:

On May 18, 1990, we returned your packer leakage test for
S.J. Sarkeys, 1-E, 26-21-37.

We are returning your Packer Leakage Test, received November
23, 1990. This is just a copy of the test we sent back in
May. This is NOT acceptable.

Please repair the leak and submit another Packer Leakage Test.
Let us know when you are ready to test again, so that we
may be there to witness this test.

If you have any questions, please call the Oil Conservation
Division, Hobbs, NM (505) 393-6161.

Yours very truly,

OIL CONSERVATION DIVISION
