17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Casing Leak Survey has been conducted on this well by Mr. Leslie A. Clements. Satisfactory connections below ground level and proper identification above ground level have been established. It is now proposed to re-fill the cellar and level the ground around this well.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
