13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Conoco requests an extension of the current T&A status for the above listed well. The well was pressure tested in November of 91 therefor it is still covered by the 5 year NMOCD test rules.

This extension is being requested to fully evaluate the well for remedial potential in the Paddock pool within the next few months.
